

# WOLF CREEK KENNELS

111 Red Bird Trail  
Mio, MI 48647  
(586)212-8230

## Board & Train

Board & Train is an ideal choice for those people who have trouble finding time to work with their dog, want to give them a jump start on good manners, or are dealing with a behavior issue. It can also be a great way to enrich a planned boarding stay while you go on vacation! Your dog will stay with us while getting training sessions, exercising, and socialization with our pack. This program is completely catered towards the needs of you and your dog. Upon pick up, you and your dog will learn how to apply their new skills to your existing routine.

### 2 Week Program

The 2 week program is designed for dogs/puppies that need to learn or polish basic skills, and dogs that need some socialization work with other dogs, animals, and humans.

#### What Is Covered

- Sit
- Stay
- Come/Recall
- Leave it
- Watch me
- Down
- Minor Behavior Modification

#### Why Wolf Creek?

What sets us apart from other board and train programs is the personal attention given.

Your dog lives in our home, 24/7. All training, exercise, and play is done under direct supervision. This way, we are able to

observe, train and interact with your dog in a real home environment, so all of the issues your dog encounters in daily family life can be addressed.

## Required Vaccinations

Please review our requirements and be sure your dog is up to date before his or her visit. Please have your dog's current vaccination certificate with you upon your arrival. We reserve the right to accept or reject your dog from any of our services depending upon our review of its vaccination status.

### Required for Overnight Boarding

- Rabies (either 1 or 3 year vaccine accepted)
- UTD Distemper combo shots such as DHPP or DHLPP (Puppies > 1 year of age must have had all 3 sets of DHPP)

### Recommended but not Required

- Canine Flu (both H3N2 and H3N8 vaccines)
- Bordetella (kennel cough) required yearly

## What To Bring on Drop Off Day

- Proof of vaccinations
- Dog Bed/Crate/Kennel/Mat that your dog is accustomed to sleeping in/on
- Tug, toy, training treats or other high value item(s) your dog enjoys
- Medications in individual, correctly labeled containers, together in a labeled zip lock bag. Medication sheet must also be in the zip lock bag.

### 3

- Correctly fitting collar with pet ID tag attached
- Board and Train Client Contract & Questionnaire
- Dog food and feeding instructions
- Payment (CASH ONLY)
